SH**340** A true multi-talent

- ▶ Use the ear clip alone or the **extra headband** and **dummy ear piece** when environmental noise increases

- ▶ **Noise Canceling** blocks out a great amount of ambient noise, making your voice easier to understand

- ▶ Special **acoustic foam** ear pad optimizes sound penetration around the center of the cushion and into the ear canal while minimizing leakage

ActiveGard™

An active guard for your hearing

The SH 340 is a very flexible headset enabling users to decide how to receive sound. The stylish solution for those who value great comfort and top speech quality in any job situation.

- ▶ **ActiveGard™** safeguards the user from the effects of an acoustic burst

- ▶ **Independent double-sided headband adjustment** and **ergonomic side support** for individually preferred positions and maximum comfort

- ▶ **Self-adjusting ball-mounted speaker capsule** allows perfect fitting to the head

- ▶ **300° adjustable microphone boom** allows the mic to be positioned exactly for optimal speech clarity. Teflon®* washer support increases positioning accuracy, stability and ensure optimal durability.

- ▶ When using the dummy ear piece, comfortable **ear caps** shut out ambient noise allowing better concentration

- ▶ Sound remains superb whether using **leatherette** or **acoustical foam ear pad**
